Dear Calvary Members and Friends,

On September 11-12, Calvary will be holding its Launch Weekend, the time of year in which we traditionally start up our fall ministry programs. The theme will center on **God's Work. Our Hands**, so aptly lifted up by the Ephesians verse above.

Two years ago, we worshipped together outside and participated in numerous activities. Last year, we found ourselves in very different circumstances, but that did not stop us from **BEING CHURCH TOGETHER IN CHRIST** as we participated in multiple service projects to help our community and be a good neighbor, whether we stayed at home or gathered in socially distanced ways.

This year, because of the continued presence of COVID, we will once again structure the weekend so that people can have choices in their level of involvement. Worship will be both in-person and streaming live at 10:00 a.m. on Sunday. Kid Zone for those in preschool through 6th grade will be offered at 9:00 a.m. Sunday. And service opportunities will be available both Saturday and Sunday to do at home or at church, in households or in small groups. We welcome your participation at any level!

Included in this letter are details about eight service projects. Pick one (or more) and sign up for it via Text in Church (858-780-4306), by emailing Teresa Kaldor at [teresakaldor21@gmail.com](mailto:teresakaldor21@gmail.com), or by registering on Sunday mornings at church starting August 22. Once you sign up, the project leader will contact you and give you further information. Zoom huddles are planned for a number of the service projects both before and after the event so that people can have an opportunity to ask questions, reflect on their service, and share their experience with others.

Have questions before you sign up? Email the project leader or Teresa and we will be happy to answer any questions that you have. Do you feel that God is calling you to serve in some other way that weekend? No problem! Just let us know that you are planning to do God's work in another way—that we are all serving together is what matters.

God's Work. Our Hands. wristbands are available at church. Be sure to wear them the weekend of September 11-12, let others know what you are doing, and pray that our service will be fruitful! Take photos and send them to Quinn at the office or Teresa so we can share them with others.

In His service,

*Calvary Leadership Team*
